# LED Illuminated Handrails

TecLed's LED Illuminated Handrail system provides unobtrusive, continuous lighting to areas where light is needed most - passages, staircases and access ramps. The handrail is crafted from fine Tasmanian Oak\* and is available in a range of colours. 43mm diameter handrail lengths available up to 4000mm but can be joined with standard straight joiners, or snaked around corners with 45° or 90° elbow joiners.

\* American Oak available on request

### HANDRAIL COLOUR STAIN OPTIONS
