

LED Magnetic Track Light System

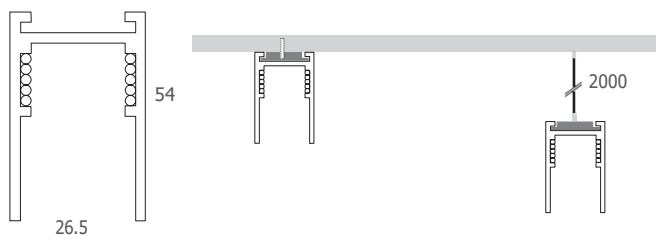

TECLED's state-of-the-art LED magnetic track light system offers the very best in aesthetics, flexibility, style and illumination. Luminaires attach firmly to the track via strong magnets and can be moved, repositioned, added to or changed at will and with no tools required.

Available in a variety of track and lighting options, this system is ideal for office, showroom and reception areas or simply as a feature in hallways or lobbies.

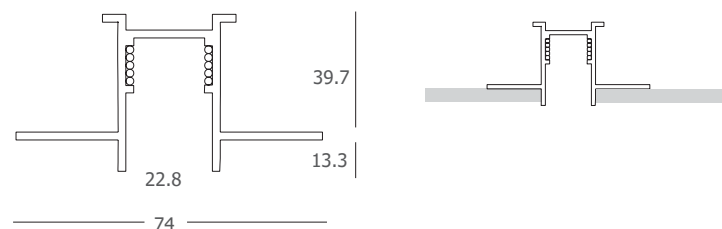

THE TRACK
