# LED Illuminated Handrails 2023

# LED Illuminated Handrail

## ROUND Wooden Handrail

TecLed's LED Illuminated Handrail system provides unobtrusive, continuous lighting to areas where light is needed most - passages, staircases and access ramps. The handrails are crafted from fine Tasmanian Oak and other species and is available in a range of colours. 43mm diameter handrail lengths available up to 4000mm but can be joined with standard straight joiners, or snaked around corners with 45° or 90° elbow joiners.

LED strip light illumination:

- Remote driver
- Optional dimming.
